**REISSUE DECLARATION AND POWER OF ATTORNEY**

Phillip D. Purdy, as below named inventor, hereby declares as follows:

1. I am a citizen of the United States of America.
2. I verily believe that I am the original, first and sole inventor of the invention entitled "INTRAVASCULAR DEVICE", described and claimed in United States Patent No. 5,925,062, issued July 20, 1999, and for which a reissue patent is sought, the specification of which is attached hereto.
3. I have reviewed and understand the contents of the specification, including the claims, as set forth in the present reissue application.
4. I acknowledge the duty to disclose information which is material to the examination of the application in accordance with 37 C.F.R. 1.56.
5. I verily believe that original Patent No. 5,925,062 is wholly or partly inoperative or invalid by reason of my claiming less than I had the right to claim in the patent. The error relied upon is the failure to include claims similar to claims 1, 12, and 16 but without the word

“detachably” in those claims. I believe that the word “detachably” in claims 1, 12 and 16 is unnecessary to patentability and is unnecessarily limiting.

6. I believe that I am entitled to claims that are similar to claims 1, 12 and 16 but that do not contain the word “detachably”. Such claims have been presented in the reissue application by way of the attached preliminary amendment as claims 22, 29 and 34.

7. I also believe that I am entitled to claims 23-28 which depend upon claim 22; claims 30-33 which depend upon claim 29; and claims 35-40, which depend upon claim 34; all of which have been presented in the reissue application by way of the attached preliminary amendment.

8. I also believe that I am entitled to claim 41, which is an independent claim to a method of producing occlusion of a vessel and is supported by the specification and drawings, and which is presented in the reissue application by way of the attached preliminary amendment.

9. All errors which are being corrected in the present reissue application up to the time of filing of the declaration arose without any deceptive intention on my part.

10. I hereby appoint:
